Classic Car

Full Restoration Facilities, Sales & Service from Tiger Sportscars

Recent full restoration of a
Ford Anglia 105E with
'progress' pics below.

Tiger has
been restoring
Classic, Thoroughbred
and Historic cars for well
over 40 years and between
our staff, we have accumulated a

vast wealth of experience, skills
and expertise.

We offer a number of options
for restoring your car, each
tailored to your specific
requirements.

These range from restoring the
car to as it was when it left the
factory (if not better), to bringing
a well loved classic back to
being an everyday reliable
means of transport.

Contact Tiger to discuss your
requirements and the details of
the full range of options and
facilities we have available

Thorney Lakes Members & Non-Members

PLEASE NOTE

Lakes Course 1st Tee restrictions

The 1st Tee on the Lakes Course is CLOSED 20 minutes before all Club competitions on Saturdays and Sundays. These competitions start times are from 0800hrs in March and 0730hrs from April to September. Therefore, on these days the 1st tee is closed to Club members, guests or non-members before the start times stated above.

Seniors' Home Matches take place on Monday mornings teeing off between 0900rs to 1000hrs. Thursday morning is SENIORS morning. Play starts 0800hrs and is open to any TLGC member aged 55 and over.

Competitions & Matches have priority on the course over roll-ups.

On all Club Texas Scramble competition days, the Lakes Course is closed until 1230hrs to anybody who is not participating in the Texas Scramble.

Thorney Lakes Rules & Local Rules

STAKED TREES & SHRUBS

Also, Trees & Shrubs with Plastic Covers or Wraps.

If such a tree interferes with a player's stance or the area of their intended swing, the ball must be lifted, without penalty, and dropped in accordance with the procedure prescribed in rule 16.1b. In this instance the tree is treated as an immovable obstruction for the purposes of relief under the rules of golf.

NOTE: Whether required to take relief or not, players are reminded that when playing a stroke adjacent to trees & shrubs of any kind - they are to take care not to breach rule 8.1. "Course Played as it's Found".

CRACKS IN THE EARTH (RELIEF FROM AND BALL LOST IN)

Cracks in the earth, in the GENERAL AREA, are "Abnormal Course Conditions" and relief should be taken accordingly (Rule 16.1b) including if the crack affects the stance or swing e.g. standing on the crack when addressing the ball. Lost ball: there must be reasonable evidence that the ball entered a crack and became lost for free relief to be given under Rule 16.1b. If there is no reasonable evidence, then this reverts to rule 18.2 "Ball Lost or OOB" and stroke-and-distance relief must be taken.

RUTS MADE BY TRACTORS (Green-Keeping Equipment)

Shallow indentations made by the green-keeping equipment (including tractors) are NOT Abnormal Course Conditions.

“NO PLAY ZONE”

In the General Area including bunkers under repair/reconstruction or Environmentally Sensitive areas (ESA) that have been defined and clearly marked as “No Play Zones” are Abnormal Ground Conditions from which play is prohibited. If a player’s ball lies in the area or if it interferes with the player’s stance or area of intended swing, then the player must take relief under Rule 16.1b.

FIXED SPRINKLER HEADS

All fixed sprinkler heads are immovable obstructions and relief from interference by them may be obtained under Rule 16.1a. In addition, if a ball lies off the putting green but not in a penalty area and such an obstruction on or within 2 club lengths of the putting green and within 2 club lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows.

The ball shall be lifted and dropped at the nearest point to where the ball lay which (a) is not nearer the hole, (b) avoids such intervention, and (c) is not in a penalty area or on a putting green.

ELECTRICAL OVERHEAD WIRES & SUPPORTING POLES

Any ball striking an overhead electrical wire or wooden supporting pole for the same must be replayed without penalty. A player cannot elect to continue to play a ball as it lies once it has struck a pole or wire; the ball must be replayed.

OTHER IMMOVABLE OBSTRUCTIONS - SEE RULE 16.1a

Immovable obstructions are all water hydrants, all fixed seats, shelters, course fixtures (such as bins & ball washers and the pump house on the 13th) and all artificially surfaced paths and roadways.

CONCRETE BUNKER/PILLBOX ON THE 10TH HOLE

The concrete bunker/pillbox on the 10th hole is an integral part of the course and should be treated as such. It is not an immovable obstruction.

Penalty for breach of any local rule: Match Play-loss of hole, Stroke Play- General Penalty - two strokes.

THORNEY LAKES RULES NOTICE

SLOW PLAY TO BE AVOIDED AT ALL TIMES!

Members' attention is drawn to the following key points regarding acceptable pace of play.

- Pace of play should be encouraged such that each round is completed in less than 4 hours. This applies to groups of 2, 3 or 4 balls. Golf rounds longer than this should be a rare exception not the norm.
- Where a group of players fall one hole behind the group in front, then the group behind must be invited to play through irrespective of its perceived skill level or pace of play.
- If your ball lands in the rough and is not immediately locatable, please call through any waiting group behind rather than delaying them for a full 3 minutes whilst you search for the ball.
- Players should be aware of other groups on the course and their pace of play. If the pace of play of a group behind is clearly quicker, then they should be invited to play through regardless of the size of either group.
- A player should play a provisional ball if they think that their ball is out of bounds or if there is any possibility that it may be lost, other than when it is clearly in a penalty area. Having to return to the Tee or a previous playing position to re-hit is potentially embarrassing and delays play unnecessarily.
- Pay attention to your readiness to play your shot at all times, particularly on the tee or on the green.

Size of Groups - Limitations playing the course

Players are reminded that only 1, 2, 3 or 4 ball groups of players are permitted to play on the Lakes Course.

During competitions this is further restricted to 2, 3 or 4 balls according to an official draw.

No Groups of 5 or more players may play together on the Lakes Course.
