## Full Restoration Facilities, Sales & Service from Tiger Sportscars

Recent full restoration of a  
Ford Anglia 105E with  
'progress' pics below.

...and many others

Tiger has  
been restoring  
Classic, Thoroughbred  
and Historic cars for well  
over 40 years and between  
our staff, we have accumulated a

vast wealth of experience, skills  
and expertise.

We offer a number of options  
for restoring your car, each  
tailored to your specific  
requirements.

These range from restoring the  
car to as it was when it left the  
factory (if not better), to bringing  
a well loved classic back to  
being an everyday reliable  
means of transport.

Contact Tiger to discuss your  
requirements and the details of  
the full range of options and  
facilities we have available

# **Thorney Lakes Members & Non-Members**

## **PLEASE NOTE**

### **Lakes Course 1st Tee restrictions**

The 1st Tee on the Lakes Course is CLOSED 20 minutes before all Club competitions on Saturdays and Sundays. These competitions usually start at 0730hrs. Therefore, on these days the 1st tee is closed to Club members, guests or non-members from 0710hrs. The last tee-time available before a Club competition is 0707hrs.

No players should Tee off between 0710hrs and 0730hrs before Club competitions on Saturdays and Sundays. Note players should continue to book a Tee time through the Pro Shop in the normal manner. Club competition days are identifiable by asking the Pro Shop, referring to the Club Diary or Notice board.

Thursday - morning is SENIORS morning. There is a roll up from 08:00 that is open to any TLGC member aged 55 and over. At 09.00 there are senior competitions and / or matches arranged, therefore please ensure playability with the Pro Shop to avoid any disappointment. Competitions & Matches have priority on the course over roll-ups.

On all Club Texas Scramble competition days, the Lakes Course is closed until 12.30hrs to anybody who is not participating in the Texas Scramble.

Many thanks for your kind cooperation - Thorney Lakes Committee

---

## **Thorney Lakes Rules & Local Rules**

### **STAKED TREES & SHRUBS**

Also, Trees & Shrubs with Plastic Covers or Wraps.

If such a tree interferes with a player's stance or the area of his intended swing, the ball must be lifted, without penalty, and dropped in accordance with the procedure prescribed in rule 16.1b. In this instance the tree is treated as an immovable obstruction for the purposes of relief under the rules of golf.

**NOTE:** *Whether required to take relief or not, players are reminded that when playing a stroke adjacent to trees & shrubs of any kind - they are to take care not to breach rule 8.1. "Course Played as it's Found"*

### **CRACKS IN THE EARTH (RELIEF FROM AND BALL LOST IN)**

Cracks in the earth, in the GENERAL AREA, are "Abnormal Course Conditions" and relief should be taken accordingly (Rule 16.1b) including if the crack affects the stance or swing e.g. standing on the crack when addressing the ball. Lost ball: There must be reasonable

evidence that the ball entered a crack and became lost for free relief to be given under Rule 16.1b. If there is no reasonable evidence, then this reverts to rule 18.2 “Ball Lost or OOB” and stroke-and-distance relief must be taken.

### **DEEP RUTS MADE BY TRACTORS**

Deep ruts made by tractors are to be considered “Abnormal Course Conditions” and relief should be taken according to 16.1b, for any ball coming to rest in such. However, shallow indentations made by the green-keeping equipment (including tractors) are NOT Abnormal Course Conditions.

### **AREAS MARKED AS “NO PLAY ZONE”**

Any general area (Including bunkers under repair/reconstruction or Environmentally Sensitive areas (ESA)) that have been defined and clearly marked as “No Play Zones” are Abnormal Ground Conditions from which play is prohibited. If a player’s ball lies in the area or if it interferes with the player’s stance or area of intended swing, then the player must take relief under Rule 16.1b.

### **FIXED SPRINKLER HEADS**

All fixed sprinkler heads are immovable obstructions and relief from interference by them may be obtained under Rule 16.1a. In addition, if a ball lies off the putting green but not in a penalty area and such an obstruction on or within 2 club lengths of the putting green and within 2 club lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows.

The ball shall be lifted and dropped at the nearest point to where the ball lay which (a) is not nearer the hole, (b) avoids such intervention, and (c) is not in a penalty area or on a putting green.

### **TELECOMMUNICATION POLES AND WIRES**

Any ball striking a telecommunication pole or wire must be replayed without penalty. A player cannot elect to continue to play a ball as it lies once it has struck a pole or wire, the ball must be replayed.

### **OTHER IMMOVABLE OBSTRUCTIONS - SEE RULE 16.1a**

Immovable obstructions are all water hydrants, all fixed seats, shelters, course fixtures (such as bins & ball washers and the pump house on the 13th) and all artificially surfaced paths and roadways.

### **CONCRETE BUNKER/PILLBOX ON THE 10TH HOLE**

The concrete bunker/pillbox on the 10th hole is an integral part of the course and should be treated as such. It is not an immovable obstruction.

Penalty for breach of any local rule: Match Play-loss of hole, Stroke Play-two strokes added to score for hole.

## **THORNEY LAKES RULES NOTICE**

### **SLOW PLAY TO BE AVOIDED AT ALL TIMES!**

For the avoidance of doubt, members' attention is drawn to the following key points regarding the acceptable pace of play at Thorney Lakes.

- Pace of play should be encouraged such that each round is completed in less than 4 hours. This applies to a 2, 3 or 4 ball game. Golf rounds longer than this should be a rare exception not the norm.
- Where a group of players fall one hole behind the match in front, then the group / match behind must be invited to pass through irrespective of its perceived skill level or pace of play.
- If your ball lands in the rough and is not immediately locatable, please call through any waiting match or group behind rather than delaying them for a full 3 minutes whilst you search for the ball.
- Two ball matches do have priority on the course (including on club competition days). They should be invited to pass through all matches or groups of 3 or 4 players.
- If you have hit a ball into the longer rough on the course, play a provisional ball before leaving the Tee or before moving on. Returning to the Tee or a previous shot position to re-hit is potentially embarrassing and delays play un-necessarily.
- Pay attention to your readiness to play your shot at all times, particularly on the tee or on the green.

#### **Size of Groups - Limitations playing the course**

Players are reminded that only 1, 2, 3 or 4 ball matches (groups of players) are permitted to play on the Lakes Course.

During competitions this is further restricted to 2, 3 or 4 ball matches according to an official draw.

No Groups of 5 or more players may play together on the Lakes Course.
