

GREENS LIAISON REPORT – May 2022

Dear Members

- Irrigation system now repaired and electric faults fixed. We had to wait for trenching machine to bury the cables on the course but pleased to report that has now been done.
- Ball washers have been cleaned and refilled.
- Winter tees weeded.
- Starting 9/5/22 fairway and the rest of the course is being sprayed for weeds.
- Bin has been put out on 12th Tee
- Contractor to finish landscaping the cages, rock etc at 2nd hole but no firm date at the moment

Please do not hesitate to contact me during the year with any further queries regarding the course.

Yours
I MacDonald
