

GREENS LIAISON REPORT – July 2022

Dear Members

- Fairway and tee yardage discs have had grass trimmed around them.
- Course was sprayed for weeds last week.
- Work on 2nd hole started this week, to hopefully finish the stone to go in the cages.
- Spoke to Head Greenkeeper to create areas of wild flower meadows for next year, for example between the 9th and 10th end of tree line on right of 9th.
- Believe we need to plan ahead to ensure all bins etc emptied at end of Captains Day in the future.
- New flag (Union Jack) was supplied and has been flying this week.
- Will ask when the lake at 2 will be refilled (noted very low at present).
- Area now zoned off around the concrete bunker at 10th hole. Thank you to Lee Woodward for the rule plaque to protect the area.
- Toilets were cleaned ready for Captain's Day.
- Paths were hoed/weeded ready for Captain's Day

Please do not hesitate to contact me during the year with any further queries regarding the course.

Yours
I MacDonald
Greens Liaison
